- **Thank you church family for your faithful prayers for our students while at Ascend Camp.** This past week we took 41 high schoolers and 7 staff leaders to Lake Williamson, Illinois. The theme was "Steadfast" from Colossians 1:22-23. At camp, our students had the opportunity to sit under powerful teaching that both encouraged and challenged them to be faithful in their walk with the Lord. The teaching focused on being steadfast by responding to the gospel call, enduring trials, seeking and giving forgiveness, and having a passion for Christ all with the motivation of being with Jesus in heaven. We had so much fun doing activities and spending time together as a youth group while also being a part of something big with other like-minded churches. Camp is also an opportunity for staff to really engage the students in spiritual conversation and we were able to have so many encouraging talks with our students all throughout the week. The Lord was faithful as He always is and very kind to us this week, and I thank you all for your prayers and support that made it possible. – Pastor Nathan Phipps
